

*(Gee, Bee and Aitch are twitching and leaping up and down, making strange chicken-like noises and finally start moving their arms up and downs like flapping chickens. This continues for a few moments and Simon Shallow stands up and shouts.)*

Simon Shallow

Stop this!! Stop this right now...  
In all the years I've.... I said stop!

*(The scientists have to restrain the boys from jumping around, finally all is still.)*

Simon Shallow

As I was saying....In all the years I've done these competitions, I've never seen such a dismal and pathetic attempt.... You should all be ashamed of yourselves... All three of you have as much talent as Dale Winton's tan...and that's saying something..  
Talentless...useless.. rubbish....

*(Gee, Bee and Aitch look miserable and dejected. Bobby steps forward.)*

Bobby

Just hold on a minute! What gives you the right to say things like that to anyone?.

Simon Shallow

*(shrugs)* It's obvious.... I'm Simon Shallow.. *(grin, CUE – triangle)*

Bobby

Well, you should be ashamed of yourself, you're just being rude..

Simon Shallow

Rubbish, I'm giving ordinary people the chance to become a Celeb.

Bobby

But you're famous, you should be setting an example...

Simon Shallow

I am...Just look at me...I'm great...what more do they need to see. ...  
*(grin, CUE – triangle)*

Bobby

Well maybe being great isn't all that good....

Simon Shallow

But fame is what we all want isn't it?.. and I bet you're just saying all this because you have no talent yourself.

Bobby

*(nervously)* I've no need to sing.....I could if I wanted to ...but I don't..

Simon Shallow

Oh right, I see, and why are you defending these no hoppers?

Bobby

Why?... well.....they're my friends, they're all my friends. We grew up together... and we stick together.... I know what they're really like.

Simon Shallow

Don't believe you; you're here just like the rest of the herd, you want to be famous.

**CUE SONG 12: "I don't want to be Famous (reprise)"**

Bobby

No...you're wrong.....I am happy with who I am....

*(Lights go down and single spot on Bobby.)*

*Bobby*

Don't wanna be famous  
Don't wanna be who you are  
Don't wanna be noticed  
Don't wanna drive fancy cars  
Don't want to be a celebrity  
It doesn't do anything for me

I'd like to see the world from outer space  
So many wonders to behold, it takes  
Someone with drive and true ambition  
Don't wanna be famous!

There's got to be more to life  
Than footballers and their wives  
So much celebrity  
It gets to me....

*(gets emotional)*

*(Music continues under the dialogue.)*

Simon Shallow

Unbelievable, I could make you a superstar. You will travel the world, meet all the stars - Leonie...Kylie...Darius... .

Bobby

I'll see the world in my own time, in my own way, and if meeting Darius means that I won't see my mates and family...then I'll have to turn you down.

*(music pause....)*

Wanabee 3

*(to Simon)* I'll do it !!.
